Dear Mr. Lawson:

Re: Taxpayer Accountability Principles Addendum to 2014/15 Government Letter of Expectations

Further to the Taxpayer Accountability Principles (attached) recently announced by Premier Christy Clark, this letter amends the Liquor Distribution Branch 2014/15 Government Letter of Expectations (GLE).

The principles recognize that the boards and senior management teams of public sector organizations (PSOs) have a higher accountability to the taxpayer, in addition to their traditional fiduciary duty to the organization. These principles are to be built into the ongoing operations of the Liquor Distribution Branch to ensure that its decisions reflect the priorities and values of government and the shareholders – the citizens of BC.

The following Taxpayer Accountability Principles actions are to be implemented this fiscal year, in addition to the existing direction outlined in the 2014/15 GLE:

1. Adopt the Taxpayer Accountability Principles – *cost consciousness (efficiency), accountability, appropriate compensation, service, respect and integrity* for your Executive Management Committee and throughout your organization.
2. Develop and implement, in collaboration with the Deputy Minister responsible for your organization, a strategic engagement plan for 2014/15.
3. Demonstrate that your organization has undertaken comprehensive and appropriate communication, orientation and training on the Taxpayer Accountability Principles, accountability framework and roles and expectations for your Executive Management Committee.

4. Participate in regular meetings with myself, and ensure you meet regularly with the Deputy Minister to focus on performance against the Taxpayer Accountability Principles, results and strategic decision making.
5. Complete an annual CEO letter, which will be published in the 2014/15 Annual Service Plan Report, that reports on your organization's performance in relation to the mandate letter. This can be done for 2014/15 by using the table format outlined in Annual Report Guidelines available at:
http://www2.gov.bc.ca/assets/gov/topic/FB2FBD12F48B66D4EAD8FDED9E739C96/caro/annual_report_guidelines.pdf and must include a Taxpayer Accountability Principles implementation progress report.
6. Work with the Ministry to develop an evaluation plan with specific efficiency and performance measures as determinates of the organization's health and performance against the Taxpayer Accountability Principles, which may include annual feedback from government. A "transitional" phase one evaluation plan may be used for 2014/15 and published in the 2014/15 Annual Service Plan Report. The fully developed evaluation plan is to be used in 2015/16 and reported in the 2015/16 Annual Service Plan Report.

The Taxpayer Accountability Principles are being implemented to enhance public sector governance, increase accountability, promote cost control, and ensure the provincial public sector organizations operate in the best interest of the taxpayers. To support the implementation of the Taxpayer Accountability Principles, please sign this addendum to the 2014/15 GLE, by September 30, 2014, and the new 2015/16 mandate letter, when finalized later in the year. This signed addendum is to be posted publicly on your organization's website.

The principles have a strong focus on improved two-way communication between government and the provincial public sector entities, to ensure a complete understanding of expectations. I look forward to working with you further on the implementation of Taxpayer Accountability Principles.

Should you have questions please contact Deputy Solicitor General Lori Wanamaker.

Yours very truly,
